

3D Printing CHECKLIST

Patrons are not allowed to operate the 3D printers. Staff is responsible for printing. Patrons can watch their item print by appointment.

Patrons may submit a file using the 3D Print request form on the WPL website [3D Print Request](#) not to exceed 100MG. Patrons may bring files in on a SD card, or USB.

Library staff review all 3D models prior to printing. All requests must follow our 3D printing guidelines. No weapons or inappropriate prints permitted.

Patrons must pay for 3D print when they receive it. Unclaimed items after 30 days will become library property.

Only library-provided filament/resin can be used in the 3D printer.

Patrons will be responsible for removal of any extra supports the design required.

Maximum dimensions for the printer's build plate can't exceed:

Prusa: 19.6×21.6×15.7 in **Vyper:** 10.2 x 9.6 x 9.6 in. / 260 x 245 x 245 mm

Patrons are responsible for paying for their files that are sent to the WPL.

Patrons are responsible for finding their own files for their desired print.

Patrons are allowed to utilize the 3D printer up to 8 hours per week total on a first-come, first-serve basis.
